

# Multi-Family Product Guide

## Why Lumbermen's?

# Employee Owned. Relationship Powered.

### **Lumbermen's is...**

A 100% employee-owned company driven by the principles of investing in relationships, doing what's right, delivering industry-leading products and services and earning the opportunity to be the first choice of our employees, customers and suppliers.

Lumbermen's is a leading distributor and manufacturer that is driven by the goal to be "first choice" of our customers, suppliers and employee owners. Headquartered in Grand Rapids, Michigan and operating in ten strategic locations throughout Michigan, Ohio and Indiana, Lumbermen's is set apart by our 100% employee-ownership and by the diversity of the products we sell, the services we provide and the industries in which we operate.

We appreciate your business!

# Multi-Family Product Guide

The Multi-Family Construction industry has grown and changed over time, leading to more complex decisions when selecting products for a new project. All of the options available might make it difficult to select just the right products to create the perfect living space.

Lumbermen's wants to make it easier! Our Multi-Family Product Guide will give you a snap-shot of our most popular cabinets, countertops and custom aluminum railing systems making it simple to decide which options are right for your next project.

**URBANA**  
CABINET CO.

## Urbana Cabinets

Featuring smartly-styled door options in a myriad of desirable finishes, Urbana cabinets are ideal for both newly constructed multi-family dwellings and updating those ready for renewal. Owners and renters alike are sure to enjoy the low maintenance and clean styling that Urbana cabinets bring to every unit.

- White laminate interior
- Multiple finish options ranging from paint to laminate to stain
- Soft close hinges are standard

# COUNTERTOPS

## Quartz

Quartz countertops offer the beauty and resilience of natural quartz with many positive attributes that make them easy to care for.

Natural quartz is tough, nonporous, stain-, heat-, and moisture-resistant for an attractive surface with great durability.

Created from pure natural quartz stone, variation in color, pattern, size, shape and shade are unique and inherent characteristics of this product.

# COUNTERTOPS

## Granite

Granite countertops are among the hottest high-end options for the kitchen and bathroom, mostly due to the look. The natural appeal of stone is a timeless aesthetic. Granite is resistant to chipping, scratching and cracking. While a hot pad should always be used, granite counters are also heat-resistant.

Granite counters must be properly sealed, but when sealed according to the manufacturer's guidelines, granite countertops will resist staining and bacteria.

counter solutions®  
by lumbermen's

# COUNTERTOPS

## Solid Surface

For a seamless look, think solid surface. This easy-to-maintain synthetic product can be molded to fit any design specification. Solid surfaces are essentially waterproof, so they actually promote a more sanitary kitchen. Just wash with a general cleaner to remove grime.

Solid surface countertops are also durable. While a cutting board should always be used, minor cuts and scratches can be buffed out with a Scotch-Brite<sup>®</sup> pad. Due to its solid nature and composition, solid surface countertops are able to absorb more force where other materials might crack.

# COUNTERTOPS

## ThinScape

THINSCAPE™ Performance Tops are highly durable, ultra-thin decorative slabs available in stone, woodgrain and metal designs.

European-inspired, these engineered composite tops are the perfect high-end complement to today's thinner cabinet profiles.

Highly durable and versatile, THINSCAPE's slim 1/2" construction offers impact-, scratch- and moisture-resistance that performs well beyond what comparable products can achieve.

[www.wilsonart.com/thinscape](http://www.wilsonart.com/thinscape)

# COUNTERTOPS

## Laminate

Available in a variety of colors and patterns, these are no longer your grandparents laminate countertops.

Bringing in aspects of nature and harmonious designs, today's laminate can take spaces to a whole new level of modern, chic and unique.

Not only is it regarded as one of the most environmentally friendly countertop surfaces, laminate offers the ultimate in design and budget flexibility.

# COUNTERTOPS

## Marble

Standard vanity tops are made to fit most standard size cabinets, but still have a number of customizable options and lengths.

- Custom vanity tops give customers the opportunity to create something truly unique.
- With 100+ color/material styles and dozens of customizable bowl options, top shapes and designer edge styles, the design possibilities are virtually endless.
- All engineered marble, granite and onyx tops are covered by a limited lifetime warranty.

# HARDWARE

**LIBERTY**  
**HARDWARE**<sup>®</sup>  
MANUFACTURING CORPORATION

## Liberty Hardware

Liberty Hardware knobs and pulls feature classic design and provide unmatched quality and durability. Enhance the appearance of cabinets by adding sophisticated cabinet knobs and pulls for a finishing touch to complete the look. You can rely on Liberty Hardware for the little details that make a huge impact.

- Wide range of finishes
- Varying styles from traditional to contemporary
- Knobs and pulls available

# RAILING

## Azek/TimberTech Impression Rail Express

An aluminum panel system with a sleek style that resembles Impression Rail with wider top rail and completely hidden fasteners.

- Pre-Assembled Railing Panels with patented, rattle free, weld free baluster connection
- Can be installed on level and stair applications
- Secure and strong Rectangular Aluminum Balusters
- Aluminum balusters or glass infill
- ADA Compliant Handrail available

Enjoy Impression Rail's minimalist top rail, or add Premier Railing top rail or post sleeves for a custom look.

# ABOUT LUMBERMEN'S

**M** **MISSION:**  
To deliver industry-leading products and services to create exceptional spaces.

**V** **VISION:**  
To be first choice for our employee owners, customers, and suppliers through investing in rewarding relationships.

## **P** LUMBERMEN'S PROMISE

**Commit to those who count on us.** As employee owners, we commit to one another, our customers, suppliers, and the communities we serve. We will invest in rewarding relationships and will give back as the Lord has blessed us.

**Do what's right.** With a servant's heart, we will strive to do what's right in every interaction. We will cultivate a culture where the values of individual responsibility, honesty, integrity, trustworthiness, generosity, humility and grace are demonstrated by all employee owners.

**Exercise sound business practices.** We will make sound business decisions as an investment in the future of our employee owners and for the sustainability of the company.

**Earn consideration.** We will earn the opportunity to be the workplace of choice for employee owners and the first choice for customers and suppliers by striving to exceed expectations in every interaction.
