

#1 IN PREMIUM DECKING

100% Smarter Than Wood™

At AZEK® we engineer the best high-performance building materials available. Our commitment to technology, sustainability, and innovation is at the heart of our brand. Premium materials, inspiring design and industry-leading warranties are why AZEK is the answer.

Engineered to Last Beautifully

We believe trust is built with quality products. We invest heavily in innovative research and development. Our polymer engineers have masterminded game-changing materials and continue to create the longest lasting products on the market.

The AZEK Advantage

- Alloy Armor Technology™: Our proprietary capping material. Made from an alloy blend, AAT provides outstanding UV and weather protection.
- Class "A" Flame Spread: AZEK Vintage Collection® has earned the highest rating on the Flame Spread Index
- Resists Scratching, Fading, Mold, Mildew, and Moisture Damage
- 30 Year Limited Fade & Stain Warranty
- Limited Lifetime Guarantee
- Made in the USA
