

BEST **Vintage Collection®**

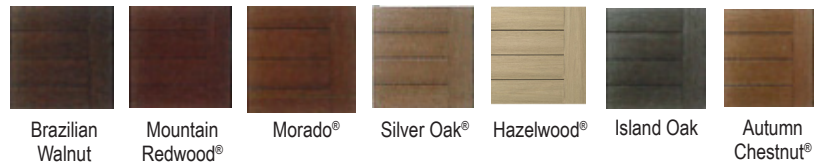

All the beauty of nature combined with the most powerful design technology in the industry. AZEK® Deck's Vintage Collection is rich and complex. Highly variegated, it has the most widely variable color options. From subtle to dramatic highlights, this sophisticated palette features an infinite variety of visual effects that will always inspire. The Vintage Collection has been tested to meet the criteria of a class "A" on the flame spread index.

BETTER **Arbor Collection®**

This popular collection includes warm, vibrant tones resembling rich woods from both near and far. These colors are moderately variegated and have slightly more pronounced grain patterns, similar to characteristics found in nature.

GOOD **Harvest Collection®**

These classic colors offer a pleasing palette of soft shades to complement most popular home exteriors. Our least variegated line, the Harvest Collection has a traditional wood grain texture, with tried-and-true tones that blend well with a variety of architectural styles.
