

A New Roof is More Than Just a Shingle

Integrity Roof System

The Integrity Roof System is designed to provide optimum performance, day after day, year after year. It's a full suite of roofing components engineered to complement each other and create an active defense against whatever might get in the way.

1. Waterproof Underlayment (Ice & Water)

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams

- WinterGuard, MetaLayment

2. Water-Resistant Underlayment (Synthetic Felt)

High-performance underlayment provides a water-resistant layer over the roof deck and a secondary barrier against leaks

- RoofRunner, Roofer's Select, Diamond Deck

3. Starter Shingles

Perfect starts every time and designed to work in tandem with the roof shingles

- SwiftStart

4. Roof Shingles

Choose the best, covered by the strongest warranty in the business

- Landmark, Landmark Pro, NorthGate

5. Hip & Ridge Caps

Perfect finish for hip and ridge lines, complementing all CertainTeed shingles

- Shadow Ridge, Shangle Ridge, NorthGate Accessory

6. Roof Ventilation

Engineered for ideal roof ventilation especially when matched with CertainTeed Intake Vents

- Available in 4' stick w/ or w/o nails and also available in a 28' roll

CertainTeed Flintlastic® roofing products are also available for flat roof areas.
