

## Celect Preferred Contractor Program

### **Become a Celect Preferred Contractor**

In just a few steps you can become a Preferred Contractor for Celect® Siding by Royal®.

This two day program will give you all the information and skills you need. Here is what the program consists of:

- Two-day program at the Royal manufacturing facility in Bristol, TN
- Free! All Expenses Paid
- Day One – Classroom & Hands-on Installation Training
- Day Two – Product Knowledge and Program Details

### **To Qualify:**

- You must have completed at least three (3) Celect projects with at least one (1) inspected by a Royal Install Expert
- You must meet all provincial licensing and insurance requirements

### **Why Become a Celect Preferred Contractor?**

1. Preferred Contractor installations benefit from a stronger product warranty which covers materials and labor due to both product quality issues and improper installation for 25 years.
2. Royal will provide the tools you need to manage installations.
3. You will be set up with logo wear and accessories for a professional look on the job.

### **Have questions?**
