

Now you have two LP® siding options from Lumbermen's. Introducing ExpertFinish.

You may already know the great features that LP® SmartSide® with ColorFusion™ Technology offers, but now you have another option - LP® SmartSide® ExpertFinish®. Both are easy to use, easy to install and will help save time on the jobsite making it twice as easy for you to select a prefinished option. Both offer versatile textures, multiple profiles, trim and accessories.

So how do you choose? Here are some of the points to consider:

LP ExpertFinish Factory Prefinished Siding and Trim

- 16 stocked colors
- 1 to 2 day lead time
- 15 year limited finish warranty
- Shiplap joint option
- Stocked prefinished trim

ColorFusion Prefinished Siding and Trim

- 25 standard colors (non-stock), with infinite custom color capabilities
- 2 to 3 week lead time
- 30 year limited finish warranty
- Pure white trim available
