

BrewPub™ Collection

The character of aged wooden barrels.

Transform your interior walls, ceilings and more.

Want to recreate the vintage character of aged wooden barrels in your home, brewpub, office lobby or other commercial space?

Our BrewPub Collection is made in the U.S.A. and reproduces the color and texture of aged barrel wood in straightforward tongue & groove planking that makes it fast and easy to add warmth, character and visual history to rustic, modern and eclectic interiors.

GREAT AMERICAN SPACES™

BEAUTIFUL ENVIRONMENTS. THOUGHTFULLY CRAFTED.

BrewPub Collection

The character of craft beer and aged wooden barrels.

Beautiful environments.

Our BrewPub Collection brings rustic, old-world patina to any environment. BrewPub is all about authentically recreated environments, right down to the red bleed that marks the interaction of whiskey with barrel wood in our Whiskey Barrel palette.

Thoughtfully crafted.

Expertly milled and finished, our BrewPub Collection is crafted from solid pine and designed to install three times faster than reclaimed wood thanks to uniform sizing and trusted tongue & groove construction. All planks are prefinished and all finishes are eco-friendly with low to no maintenance.

WHISKEY BARREL (3 medium, 2 light, 1 dark planks per bundle)

Color will vary from board to board and lot to lot due to natural characteristics of wood. It is recommended you purchase your entire job, plus a minimum of 10% overage to ensure most consistent color.

The beauty of our planks is created by its infinite variation in character and color. Please use our samples and literature as a general guide, as every piece is unique.
