

## Factory Finished Colors for Siding and Trim

# The ColorFusion™ Difference.

- Rich durable finishes on a variety of siding and trim items
- Controlled factory application for optimum performance and warranties
- Much more economical than jobsite painting
- Guaranteed fade resistance

**Lumbermen's Finishing Division utilizes multiple specialized finishing and drying lines for the ultimate combination of value, beauty and guaranteed performance.**

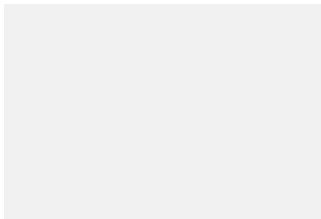

**In addition to standard colors in the collection, we also specialize in custom matching nearly any color\* from any manufacturer.**

*(\*finishing PVC products like AZEK PaintPro requires specialized colorants and performance testing prior to the application of darker formulas)*
