

## Decking Options TimberTech Edge

Add long-term, sustained value to your project with attainably priced composite boards that are built to last and backed by 25-Year Limited Structural and 25-Year Fade & Stain Warranties. EDGE™ Decking allows homeowners to worry less about upkeep while getting more life out of their deck.

### BEST

### Prime+ Collection

Moderately varied hues complement the subtle, straight-grain pattern. The scalloped profile bottom reduces weight without sacrificing durability and strength.
