QE Vesta Siding

V E S T A™
SPACE REDEFINED

Vesta is a steel planking system inspired by the sleek aesthetic and weather-tight performance of shiplap. This bold siding is born to turn heads.

- Vesta is available in a 5" shiplap panel in 13 colors.
- Made from recycled steel and able to be recycled infinitely, Vesta reduces waste and contributes to future steel products
- There are 11 solid color and 6 natural wood-grain options
- The plank profile supports vertical and horizontal installation

TruCedar
STEEL SIDING

QE TruCedar Steel Siding

The real look of cedar siding in a durable, easy to maintain steel construction. The color palette was chosen to simulate the look of real cedar wood shakes in various stages of aging. Several siding sizes are available as well as accessories.

CELECT®

CELLULAR COMPOSITE SIDING BY ROYAL

7" Clapboard

Board & Batten

7" Shake

Royal Celect

Engineered to elevate the entire exterior of a home with gorgeous, virtually seamless looks, Celect is durable, virtually maintenance free and compatible with any home design.

Celect is made from recyclable, state-of-the-art cellular materials, so it won't rot, split, crack, warp, twist, blister, flake, peel, delaminate or suffer loss of structural properties due to termites, microbiological growth or other decay.

Cedar Valley Shingle Panels and Corners

Lumbermen's ColorFusion Factory Finishing

- *Finished just for your project*
- *Any color you want*

Factory applied semi-transparent and solid color finishes for greater convenience, less cost, and better warranties than field-applied finishes. See Lumbermen's ColorFusion colors, or we can provide any custom color you may need.

Semi-Transparent Colors

Solid Colors

The next evolution of decorative stone is here.

- Experience the first stone cladding that can be face nailed in the same fashion as traditional siding
- Lightweight product means no heavy duty staging or scaffolding
- Holds product color throughout, can be cut to fit on-site while maintaining the highest appearance standards
- Currently stocking 4 colors in four different style options
