

ClosetCulture[®]
Strong. Flexible. Elegant.

Create your dream closet

The Closet Culture difference.

Closet Culture is designed around a strong foundation of heavy-duty hang rails and adjustable wall standards. It features versatile shelf brackets that connect shelves, closet pole hooks, and pullout accessories, and locks them into place.

Build your dream closet two easy ways.

① With a kit:

A simple solution that includes Wall Standards, Brackets, Hang Rail & Covers, and Closet Poles & Hooks for a 4', 6' or 8' closet. Just add shelving to complete.

② From scratch:

Create a custom space by choosing the items you want for a 2'-12' wide closet.

- A** Wall Standards
- B** Shelf Brackets
- C** Hang Rails & Covers
- D** Closet Pole Hooks
- E** Closet Poles
- F** Wood or Wire Shelves

Standard Extension Kit:

Lengthens wall standards to 78" so you can add more shelves and accessories to kits.

Customize your closet to fit your style.

Closet Culture gives you the ability to customize your space to your unique needs whether a small reach-in closet for a child, or an expansive walk-in closet. As your wardrobe or storage needs change, you can add on to the system or simply rearrange.

Wire and wood shelf options:

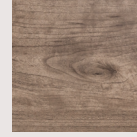

Attractive wood finishes paired with champagne nickel hardware will give your closet a stylish and customized appearance.

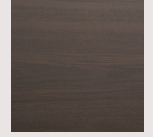

Champagne
Nickel

White Oak

Driftwood

Espresso

Pull out accessories:

Neatly store clothing, pants, shoes and more.

G Pants Rack Kit

H Mesh Basket & Surround Kit

I Shoe Rack Kit

Fascia:

Add fascia to the front of wire shelves, baskets and shoe racks for an upscale look.

J Wood Fascia
