01. the kitchen

Bringing the Warmth of Wood to the Heart of the Home

The kitchen has always been the heart of the home. It's where family comes together to share meals and where memories are made. Create a warm and welcoming atmosphere with the natural beauty of wood from VT CenterPointe.

Beauty More Becoming

Consider mixing materials by pairing white marble inspired laminate countertops with a butcher block island to create a beautiful, unified, and inviting design.

Warm Accents

Complete the look by incorporating warm, accents. VT offers coordinating butcher block chopping blocks as well as floating shelves to create a finished design.
