

NAVIGATING LUMBERMEN'S GO

MODULE #2

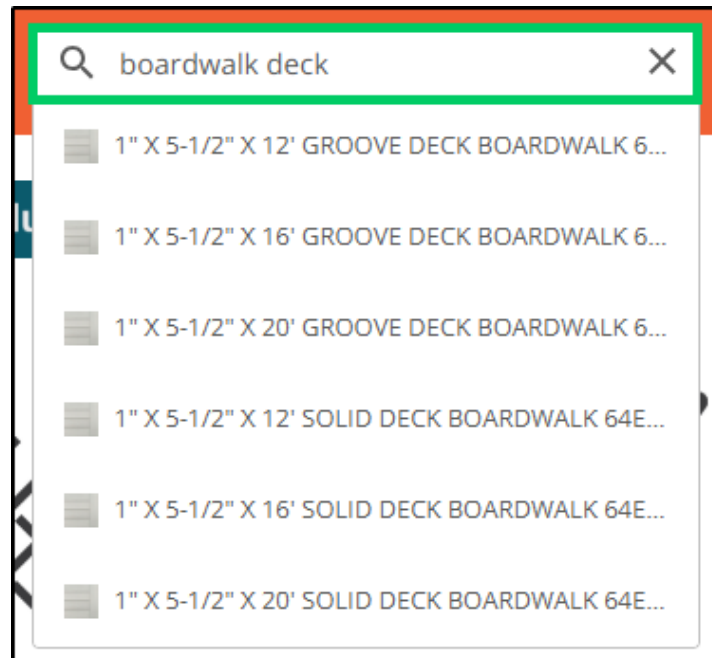

This document presents three methods for locating products in Lumbermen's GO: the Search Bar, Category Pages, and the "Shop All" menu.

Contents

Method 1: Keyword Search Bar	2
Method 2: Category Pages	4
Method 3: "Shop All" Menu.....	5

Method 1: Keyword Search Bar

- 1) Enter any of the following into the search bar to receive relevant results:
 - a. Product name
 - b. Product keyword
 - c. Lumbermen's SKU number
 - d. Vendors UPC code
- 2) If you see the product, you are looking for, you may click on it from the quick results menu. If not, hit enter to see the full list of results.

- 3) You can further refine your results by using the filters on the left side of the screen
 - a. You can easily manage the filters you have chosen in the Selected Filters menu

4) Click on the Lumbermen's GO logo at any time to return to the Home Page

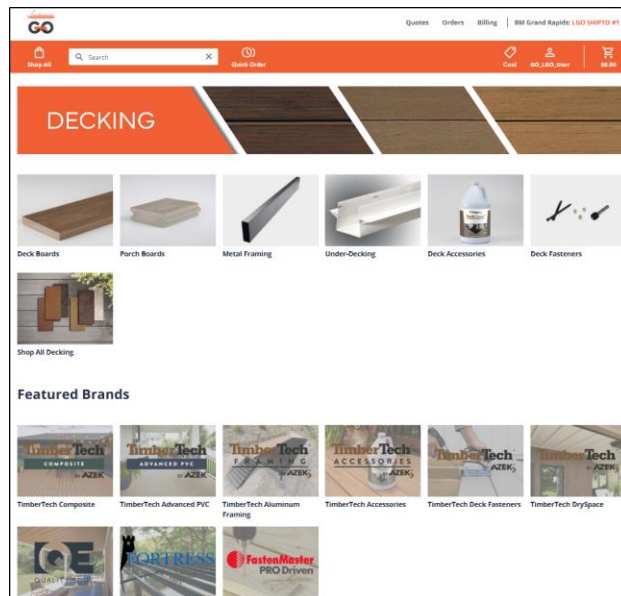

Method 2: Category Pages

- 1) To browse by category, click on any of the category icons from the home page to be directed to the respective category page.

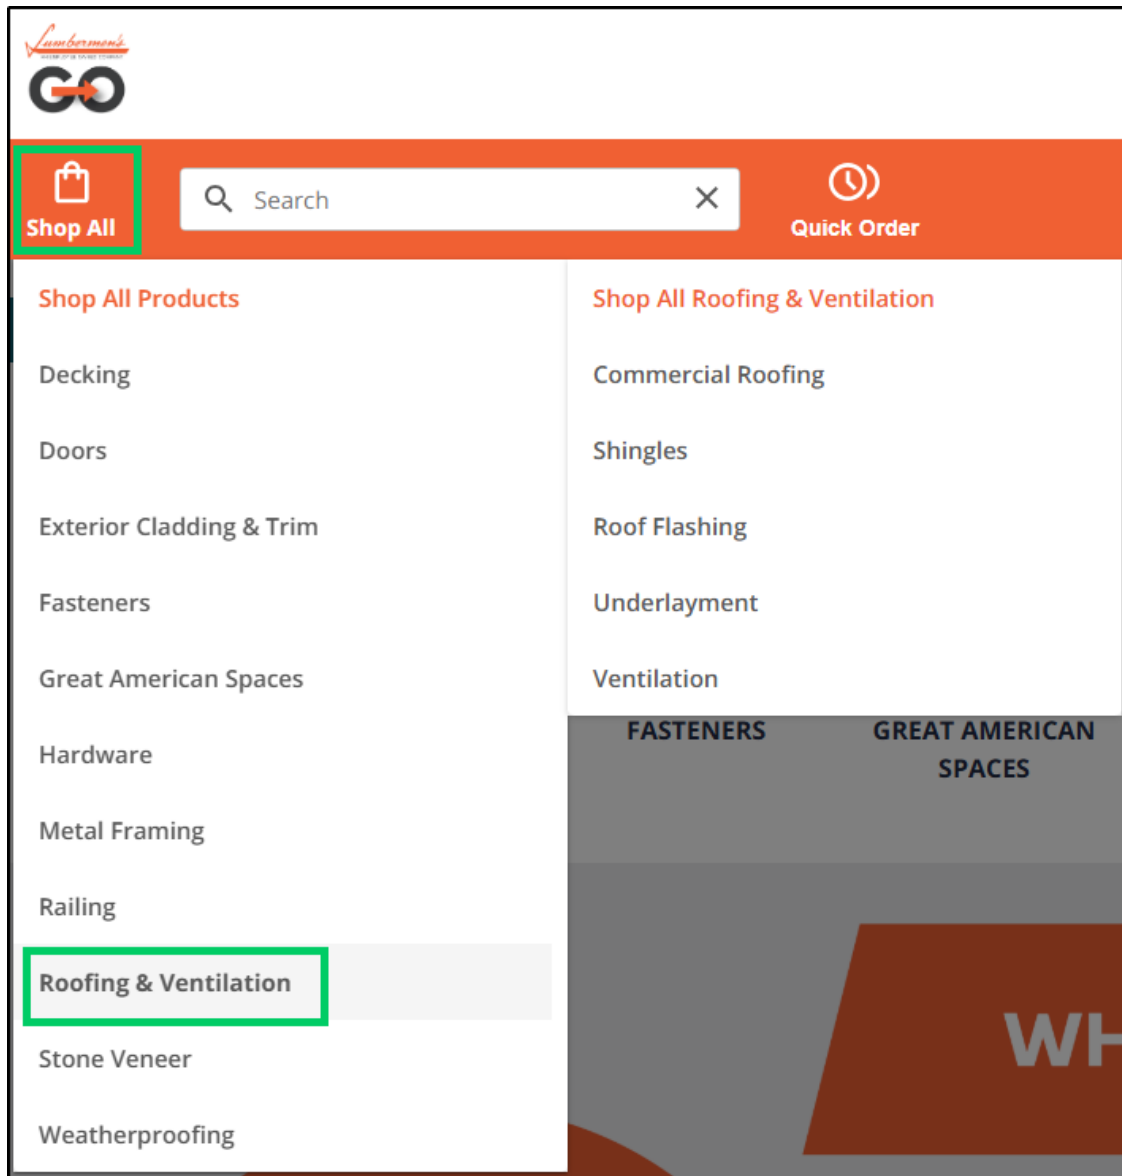

- 2) In the category page, you have the option to shop by popular product type or featured brands/product lines to help you find what you are looking for.

- 3) Once again, you have the ability to refine your search results using the filters on the left side of the screen.

Method 3: “Shop All” Menu

- 1) Click on the “Shop All” button to display a menu of different categories as well as a “Shop All Products” option
- 2) Click on any category to view a list of subcategories

- 3) Once your selections are made, the resulting products will be displayed
- 4) The filters on the left side of your screen are available to help you narrow your search
