Step 1: Start an Order

- 1) Start by adding the necessary products to your cart.
- 2) If you need a refresher on adding items, refer to Module #3 “How to Place an Order.”
- 3) Once you are ready, click “Start an Order” and fill in the required order details.

Step 2: Enable Saberis Stealth Sync

- 1) On the checkout page, scroll down to locate the checkbox labeled “Saberis Stealth Sync.”

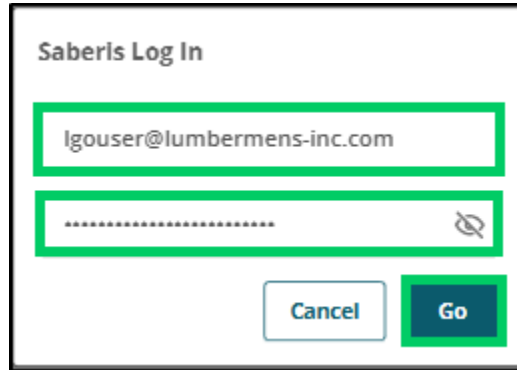

- 2) Check the box to enable the integration for this order.

Step 3: Submit your order and sign into Saberis

- 1) Click “Submit Order.”
- 2) A pop-up window will appear prompting you to enter your Saberis credentials.

3) Enter your credentials and click “Go.”

The image shows a login form titled "Saberis Log In". It contains two input fields: the first is for an email address, with "lgouser@lumbermens-inc.com" entered; the second is for a password, shown as a series of dots. To the right of the password field is a small eye icon. Below the input fields are two buttons: a white "Cancel" button and a blue "Go" button.

4) Once successfully submitted, a confirmation message will appear, indicating that the order has been sent to your ERP through Saberis.
