

On the desktop of your computer, right click any empty space on your desktop, select **New** and then **Shortcut**

In the *Type the location of the item:* window, place this URL:

<https://www.lumbermens-inc.com/building-materials-list-price-catalog/>

← Create Shortcut

What item would you like to create a shortcut for?

This wizard helps you to create shortcuts to local or network programs, files, folders, computers, or Internet addresses.

Type the location of the item:

<https://www.lumbermens-inc.com/building-materials-list-price-catalog/>

Browse...

Click Next to continue.

Next

Cancel

Feel free to name the shortcut whatever you want to (Lumbermen's Inc. Building Material Catalog, etc.), then select **Finish**. You should see a shortcut to the Building Materials Catalog on the desktop of your computer.
